

# MousePen M508X

5" x 8" Touch Pad Tablet for professionals

Genius introduces a new generation touch pad tablet - *MousePen M508X*. This elegant 5" x 8" tablet provides a unique touch pad and offers a simpler, more natural way to control your work, and with a palm rest around the working area, designers can work long hours comfortably. The 5120 LPI high resolution and 2048 level pressure sensitivity pen meet your most professional graphic demands. *MousePen M508X* also has four express keys to help your working efficiency, instant access to eraser, undo, open a new layer, or choose the brush type. This tablet is great for both Windows and Mac users to write, draw, sketch and sign emails through the bundled software. A special pen clip area is built-in for easy storage.

*MousePen M508X* is the best choice for artists and designers. Just ask your salesperson how you can pick this device up.

Brilliant touch pad for Zoom in/Zoom Out, scrolling and brush control
